Dear Friends of White County,

For the past six years, I have served as a member of White County Community Foundation’s Governing Council. This experience has expanded my appreciation for this wonderful community and opened my eyes to its even greater potential. For the past two years, I had the privilege of serving as Council President, working together with a group of people truly dedicated to the well-being and growth of our community.

Good things are happening in White County, most of which never make bold headlines but make a very real difference in the quality of life we experience here. WCCF grants into this community totaled over $86,000 in 2012. These grants fed families, funded art and music programs, supported a wide variety of educational and health initiatives, and provided resources for 4-H, Camp Tecumseh and our local hospital. Whether large or small, each grant was made possible by donors who believe in this community and desire to strengthen it through charitable giving.

Sadly, along with the good things, White County and WCCF lost a great friend in Beverly McMurray in 2012. Bev served on the WCCF Governing Council for five years. Bev quietly and humbly served and taught her children, husband, neighbors, and friends through her actions. Bev never talked about what needed done, she just did it. As WCCF will celebrate its 15th anniversary in 2013 ~ it would behoove us all to remember the example she set for us.

One of the beautiful parts of our organization is the ability to celebrate those dedicated, generous individuals and organizations who have shared a vision for White County’s future. Bev’s legacy to this community has demonstrated, through her behavior, how to navigate life. I was honored to serve the White County Community Foundation with Bev McMurray. She will always be remembered in the example she left behind.

Most sincerely,

Jeffrey A. Milligan,
WCCF Governing Council President

Leslie Wineland Goss,
WCCF Executive Director

WCCF Mission Statement

Your White County Community Foundation inspires people to strengthen White County through charitable giving.
Your White County Community Foundation is committed to positive change, a concept well-understood by renowned cultural anthropologist Margaret Mead. Indeed, every donor who makes a gift to the community through WCCF helps change and strengthen our White County community ~ one gift and one grant at a time.

WCCF always has exciting stories to share! Each of them is about changing lives ~ changing our community:

Over 200 **Women Giving Together Fund** members and friends gathered at the annual luncheon to raise funds, honor grant recipients and thank Patty Godlove for her uncompromising dedication to the well-being of children and families, particularly for initiating a backpack program to feed area students.

A **WGT grant to Junior Achievement** helped purchase the “Our Community” curriculum that introduces all services, philanthropy and individuals in creating a vibrant, healthy community.

Another grant helped purchase an Advanced Workstation in Education (AWE) early literacy computer for the **Monticello-Union Twp Public Library**. Yet another will support the **Barn Quilts of the Hoosier Heartland Project**, inspiring art and agri-tourism in our community.

**White County Youth Chamber** members donated to the Carseat Program at our local hospital, did some landscaping at Frontier, and planted a lilac tree in memory of guidance secretary Angie Van-Voorst in front of North White High School.

**In 2012, donors established seven new funds within the Foundation:**

- **Bee Bumble Run-Walk Fund** – a fund to support this very successful and ever-expanding annual event in Burnettsville
- **BLF Opportunity Fund** – fund established anonymously to address donor’s charitable interests
- **Charles R. and Elizabeth J. Goss Fund** – discretionary fund established by these former Wolcott residents to address charitable needs identified and approved by the WCCF Governing Council
- **Valerie James “Don’t Quit” Memorial Scholarship Fund** – provides a scholarship to a graduating senior who has been active in 4-H and who exhibits Valerie’s “don’t quit” attitude in the face of adversity or challenge
- **Chuck Kubly “Getting Started” Band Instrument Fund** – enables purchase and maintenance of band instruments for committed Twin Lakes band students who cannot afford them
- **Monticello High School “Class of 1961” Scholarship** – established in celebration of this class’s 50th anniversary to provide scholarships at Twin Lakes
- **Monticello-Union Township Public Library Building and Grounds Fund** – MUTPL’s third fund at WCCF will support the physical needs of this valuable community resource
Our generous donors partner with the Community Foundation because they want to impact their community in a positive, lasting way. In 2012, grants from WCCF funds touched hundreds of lives, truly strengthening our community.

2012 Memorials & Tributes

These special gifts celebrate the legacy of those who have strengthened our community by sharing their time, talents, and treasures. Gifts may be designated to a specific fund or given for general support of WCCF.

James “Jim” Krintz (1941-2012)

Some knew Jim as a bus driver, some as a farm tire manager. Others frequented his famous produce stand or admired his farm toy collection. To all, he was a devoted family man, loyal friend, hard worker, and supporter of his community.

Jim was a 10-year 4-H member, a common thread that continues to weave together generations of the Krintz family. In his memory, Jim’s family is establishing a scholarship for a graduating senior whose dedication to 4-H exemplifies Jim’s indomitable spirit.

Jim Krintz’s legacy lives on!
