Lilly Endowment Community Scholarship

The Lilly Endowment Community Scholarship Program is designed to raise the level of educational attainment in Indiana and increase awareness of the potential of Indiana's community foundations to improve the quality of life of the state's residents. Scholarships pay for full academic tuition and required fees plus an annual \$800 allocation for books and equipment for four years at any accredited Indiana college or university selected by the recipient. The scholarships are sponsored by Lilly Endowment Inc. and administered by community foundations throughout Indiana. The White County Community Foundation is administering two scholarships in White County for the 2008 awards.

Eligibility

Applicants must:

- Have graduated from an accredited Indiana high school by the end of June 2008
- Be a resident of or attending high school in White County
- Be a U.S. citizen
- Have a 2.75 or better grade point average on a 4.0 scale (or other B- equivalent)
- Have a combined SAT score of 800 or above (critical reading & math)

White County Community Foundation board members, officers, and selection committee members will not be allowed to participate in any aspect of the nomination process if they have relatives applying for the Lilly Endowment Community Scholarship.

Criteria for Selection

Selection considerations include: financial need; community and school activities and evidence of leadership; the essay; grade point average and difficulty of high school courses taken; and the interview of finalists. Other scholarships, such as 21st Century Scholars, will be taken into consideration when calculating the applicant's financial need.

Progress Criteria

To remain eligible for scholarship payments, the recipient must submit grade reports to the White County Community Foundation, maintain good standing at the college or university, be law-abiding, and maintain high standards of conduct consistent with the student code of conduct of the college or university attended. Students will also be required to submit reports of expenditures for books and equipment and a yearly letter keeping the White County Community Foundation informed of their progress.
